

Accessing and Importing the M3 Global Dashboards

In response to feedback we have received from many of our Insight customers, we at M3 have made the decision to remove *all M3 Global Dashboards* from Insight on Friday, January 10, 2020.

Customers will be able to access the M3 Global Dashboards on the M3 Help Portal and import them into Insight as desired. (As the *M3 Global Report Item Groupings* will remain intact, any <u>imported</u> M3 Global Dashboards will function as they always have.)

To access, download, and import the M3 Global Dashboards, please take the following steps:

- 1) Navigate to the M3 Help Portal at https://help.m3as.com/.
- 2) Select 'View Documentation' from the Help Portal homepage:
